

NORTHEASTERN ILLINOIS ENVIROTHON

Registration Guidelines

1. Registrations are due by **DECEMBER 1st**.
2. All registrations ***must include a deposit check*** in the amount of \$75.00 made payable to your local Soil & Water Conservation District. Deposit checks are returned to the team advisor when the team registers on competition day. If a team fails to enter on competition day the deposit check is cashed and placed into the expense funds for Envirothon.
3. Schools / Organizations are permitted to enter **up to 2 teams per school / organization**. Although you do not need to include names with your initial registration you must send a ***separate form & separate deposit check for each team*** you wish to register by December 1st. The second team registration form should be clearly labeled "2nd. Team" somewhere at the top on the form.
4. A maximum of 24 teams will be permitted to register for any one event. A total maximum of 48 teams may compete in the NE IL Envirothon competition. Registrations will be accepted on a first come first served basis. Teams from Lake, Winnebago, McHenry, Boone and DeKalb counties will compete at the north event on April 3rd. Teams from Cook, Will, DuPage and Kane counties will compete at the south event on April 5th. Teams are required to compete at their respective regional event, as listed above, and will not be permitted to change event locations unless otherwise determined by the Northeastern Illinois Envirothon committee.
5. The procedure for entering teams into the competition will be as follows:
 - A. Schools' / Organizations' 1st team selections will be entered on a first come first served basis, not to exceed 24 teams per event.
 - B. Once all 1st. team registrations are entered 2nd team registration will be entered also on a first come first served basis, not to exceed 24 total teams per event.
 - C. Team advisors will be notified during the month of Dec. as to which teams have been entered.
